

## Event days healthcare and emergency services in Oberberg

Get to know professions in healthcare and emergency services live!

### Would you like to work in the care or emergency sector?

Take part in our event days for immigrants and refugees: Get to know different care and emergency service professions in Germany. Discover opportunities for training and further education to kickstart your professional future.

Participation is free of charge. You should at least have basic knowledge of German. You can take part in one event day individually or in both of them.

## even day 1
